## Foreword

In University Education, Sports play an important role in the development of integrated personality of the youth. With this in view, AIU has been organizing Inter-University Tournaments. Participation of university students in these tournaments generates a spirit of healthy competition. It is, therefore, necessary that the Inter-University Tournaments are governed by a set of 'Rules and Regulations', which are updated from time to time.

AIU had framed 'Rules and Regulations' from the inception of the programme of Inter-University Tournaments in 1941. The first edition of the 'Rules and Regulations' was published in 1945. Subsequent editions were brought out in 1957, 1964, 1968, 1977 and 1985 incorporating the amendments which had taken place during the intervening periods. The present volume is the seventh edition in the series. All the amendments made till the end of June 1994 have been included in this edition. These rules are an improvement on the rules contained in the previous editions to the extent that some ambiguities of language have been removed, the chapter on 'eligibility has been codified and situations not covered under the earlier rules have been taken care of by bringing in new rules on the basis of the experience gained.

It is hoped that the rules contained in this volume will help in the smooth conduct of the competitions amongst the universities and will induce in the participants the underlying idea of 'Play the game in the spirit of the game'.

# A BRIEF HISTORY OF SPORTS DIVISION

## (A) Origin :

The origin of the Sports Division can be traced to 1928 when Inter-University Board (IUB), after its existence of only 4 years, decided to undertake a survey regarding the position of the infrastructure of sports facilities existing in the universities and colleges. As a follow-up action an "Inter-University Athletic Board" with its headquarters in Patna, was set up in 1929. The moving spirit behind this development was Prof. J.S. Armour of the Patna Government College and Prof. Moinulhaq of the Bihar National College who became its first Chairman and Secretary respectively. The Universities of Allahabad, Banaras, Calcutta, Dacca, Lucknow, Madras and Patna were its founder members. The games initially taken up for organising Inter-University Competitions were Cricket, Football, Hockey and Tennis.

In spite of the promising start, hardly any progress could be made in the activities of the "Athletic Board" during the next 4 years on account of the disturbed political conditions in the country. The move was revived in 1934 when IUB at its 9th Annual Meeting held in Delhi accepted the proposal of the Universities of Annamalai and Mysore that the youth of the country should be brought together on a common platform through the media of sports and debates. The same year, Cricket matches were organised between the Universities of Bombay and Mysore at Mysore and Bangalore. In 1935, IUB decided that regular contests in athletics and other games should be conducted by the host university at the occasion of the annual meetings of the Board.

The proposal was given effect to at Aligarh in 1936. Concrete steps to project a systematic programme of Inter-University Competitions were, however, taken in 1939 when IUB adopted a resolution to frame uniform rules for the conduct of Inter-University Tournaments in the games of Football, Cricket, Athletics, Hockey, Tennis and Swimming. The assignment of drafting the rules was given to the Universities of Patna, Bombay, Panjab, Lucknow, Allahabad and Madras respectively. A Sub-Committee consisting of the following was also constituted to consider the draft rules.

1. Pt. Amar Nath Jha;
2. Khan Bahadur Mian M. Afzul Hussain;
3. Professor Kazi Mohammad Hussain and
4. Mr. R.P. Masani.

The Committee met in Bombay in March 1940 to examine the draft rules along with the comments received from the other member universities to which the same were circulated and prepared a comprehensive set of uniform Rules & Regulations in 1941. Tournaments in 3 events viz. Athletics, Hockey and Tennis were held in 1940-41 in accordance with these rules.

#### (B) Growth :

The "Inter-University Athletic Board" was conceived as an independent organisation to which subsequently was given the name of "Inter-University Sports Board". A significant development took place in 1941 when the IUB at its 16th Annual Meeting held at Trivandrum set up an Inter-University Sports Representative Committee consisting of one representative from each of the following universities :

1. Aligarh (North Zone)
2. Calcutta (East Zone)
3. Osmania, (Central Zone)
4. Travancore (South Zone)

Chairman and Secretary of the Inter-University Board were designated as ex-officio Chairman and ex-officio Secretary. Khan Bahadur Mian M. Afzul Hussain of the Panjab University was co-opted as a member of this committee. The other member universities were given the option to nominate a representative each at their own expenses. This Sub-Committee was, in fact, the "Inter-University Sports Board" in its 'embryo' form. It had its first session in Lucknow on March 24, 1941 which can be termed as the first annual meeting of the Inter-University Sports Board. The various subjects discussed in this meeting were: (i) recommendations of the rules sub-committee, (ii) adoption of rules regarding management and control of the I.U Tournaments, (iii) distribution of venues, (iv) eligibility rules, (v) schedule of expenses, (vi) trophies, (vii) merit certificates, (viii) University colours etc. The most important decision of this meeting was that the Inter-University Tournaments will be run under the overall control of the Inter-University Sports Board. For the first time, in 1944-45 a booklet of Rules and Regulations for the conduct of Inter-University Tournaments was brought out. From 1941 onwards, regular annual meetings of the Sports Board had been held till 1973 when by a resolution of the Standing Committee of the IUB, the annual sessions of the Sports Board were discontinued. Instead a Sports Committee was constituted to dispose of the work, hitherto, handled at the annual meetings of the Sports Board.

The Inter-University Sports Board of India was revived in terms of the Report of the Working Group which was approved at the 64th Annual General Meeting of AIU held at Srinagar on 4th October, 1989.

Another important development in the activities and programmes of the Sports Board took place in 1969, in the wake of reverting from compulsory N.C.C. to optional for the university and college students. In this process two alternative streams were evolved viz. N.S.O and N.S.S. University students taking part in N.S.O programmes were exempted from taking up the N.C.C. or N.S.S.

The Scheme of Grants for Games & Sports in Universities & Colleges (earlier known as N.S.O Scheme) consists of :

1. Coaching/training of the Indian Universities Teams to prepare them for participation in Open National Championships or any other tournament - National or International.
2. Awarding of financial assistance for conducting Inter- University Tournaments
3. Awarding of Prize Money to universities winning first, second and third positions in each of the selected disciplines of sports at the Inter-University Tournament level.
4. Financial assistance for the development of sports infrastructure in universities and colleges.
5. Awarding of Prize Money to universities winning first, second and third positions in the overall championships for the Maulana Abul Kalam Azad Trophy.
6. Awarding of Sports Talent Scholarships to the talented sports students of universities and colleges.

The Inter-University Sports Board was entrusted with the responsibility of handling the first three programmes. For the Indian Universities teams to be eligible to participate in the national level tournaments, it was necessary for the Inter- University Sports Board to become a member of the corresponding national sports federations. Appropriate steps had been taken in this direction and the Sports Board became a member of 10 national sports bodies viz. (i) All India Tennis Association, (ii) Amateur Athletic Federation of India, (iii) Amateur Handball Federation of India (iv) Badminton Association of India, (v) Board of Control for Cricket in India, (vi) Indian Hockey Federation, (vii) Indian Women's Hockey Federation, (viii) Rowing Federation of India, (ix) Women's Cricket Association of India (x) Wrestling Federation of

India. Wherever feasible, Indian Universities Teams are selected, trained and projected to participate in the national level tournaments.

Reorganisation of the Inter-University Board took place when the name of IUB was changed to AIU and the new Memorandum of Association was adopted in 1974. At the annual meeting of the AIU held in Annamalai University in December 1983, the separate annual subscription for membership of the Sports Board was also merged into the annual subscription for membership of the AIU.

**(C) Future :**

Making a modest beginning with a limited objective of occasionally organising the Inter-University Competitions in one or two games purely from the angle of educational values, Sports Board gradually grew from strength to strength embracing a very wide umbrella of sports programmes. At present, the Sports Board is managing annually Inter-University Tournaments in 14 games for men, 10 games for women and 14 games for both men & women at 66 University centres. Another area of activities covered by the Sports Board is the selection and training of Indian Universities Teams, organising exchange of visits between the Indian Universities Teams and universities teams from abroad, working as a coordinating agency between the member universities for organising the Sports programmes, to have a liaison with the Deptt. of Youth Affairs & Sports, Government of India and other national level agencies like the Sports Authority of India for the promotion and development of sports in the University sector. The Sports Board is alive to the changing concept of sports. The emphasis is fastly shifting from the academic concept of educational and recreative values of sports to practical and utilitarian concept of performance. Appropriate steps have been taken to give a new direction to the University sports programmes bearing in mind the changed concept.

i) If the tournament is on 2-zone basis, it will be run straight away on All-India basis and the zone which has larger number of entries shall conduct the tournament.

ii) If the tournament is on 4-zone basis, the zone receiving inadequate number of entries shall be merged into the other zone and the new zone so formed shall be called North/South Zone as the case may be as under Rule No. II.

iii) If by such a merger, only three zones emerge the Inter- Zonals shall be played on league basis.

iv) Where adequate number of entries has not been received, the Organising Secretary shall communicate to the office of the Association the names of the entering universities telegraphically immediately after the closing date of receiving the entries is over.

same zone, the normal seeding will be given only to the original zonal winner, runner-up and losing semi-finalists as the case may be. The universities, which have been shifted to a new zone, will not be given seeding.

In case a vacancy has arisen due to shifting of a winner, runners-up or losing semi-finalists from one Zone to another zone such a vacancy(ies) shall be filled up by draw of lots from amongst the participating universities except the original winners, runners-up and losing semi-finalists of that particular zone, which will have the right of seeding.

#### IV. ALLOTMENT OF TOURNAMENTS

The tournaments for a particular year shall be allocated to the universities by the Sports Board. The university, which has been entrusted with the responsibility of organising the tournament, shall be called "organising university". The headquarters of an organising university shall ordinarily be the venue of the tournament. However, an organising university may, in consultation with the Secretary of the Sports Board and the competing universities, arrange to hold preliminary round matches at some other university centre, to be described for this purpose as the sub-venue.

The Association, before assigning allocation, may enquire to its satisfaction from the university/institute aspiring to conduct a tournament(s) whether necessary facilities in respect of grounds/courts, equipment and other requirements listed in the proforma (given at Appendix-B) pertaining to the smooth conduct of the tournament(s) in the concerned university/institute are available.

The Association may nominate observers, every year, to cover all selected tournaments who shall submit their observations in the proforma (given at Appendix-D). T.A./D.A. of the observers shall be paid by the respective organising university in accordance with its existing rules.

### Sequence of Steps Regarding Drawing the Fixtures

1. From the entries received, take out last year's winners, runners-up and losing semi-finalists (four teams).

**Note:** In case where either of the winners, runners-up or losing semi-finalists (3rd/4th position holder) do not enter their team to participate in the corresponding Inter-University Tournament, the team that lost to the dropping out team in the previous year's quarter final as may be the case, should be given the seeding.

2. Draw a serial order equal to the number of the rest entries.
3. Calculate the number of 'Byes' to be given on the basis of the number of the rest entries referred to at Sl. No. 2 above.
4. Mark the serial number where the universities in 'Bye' are to be placed.
5. Take out the Draw for 'Byes' - four universities mentioned at Sr.No.1 not to be included.
- 6 Write the names of the universities not getting 'Bye' against the serial numbers marked for them (Item No.4).
7. Take out the Draw for the universities not getting 'Bye' and place them in the necessary serial order.
8. At the semi-final stage of this Draw, include last year's winners, runners-up and losing semi-finalists so that the stage of the tournaments now is quarter-final. And they are to be placed as follows:
  - a. Runners-up at the top most.
  - b. Winners at the bottom most.
  - c. The last year's losing semi-finalists to be cross-seeded i.e. the loser to the last year's winner is to play against the last year's runner-up and vice-versa.
